James Green, K0XV  
1122 Mortons Meadow Road  
Knoxville TN 37932

Dear Jim:

Thank you for agreeing to take responsibility for organizing the operation of the ARRL Headquarters Station during the 2020 IARU HF World Championship. Based on the experience of the other groups who have taken this on in the past, I am confident that you and the other operators will have a great time.

Enclosed is a copy (*Reference Copy*) of the W1AW station license. Together, that copy and this letter are your authorization to use the call sign "W1AW/4" during the 24-hour contest period (1200 UTC 11 July to 1200 UTC 12 July 2020) from your station - and any other stations located in Tennessee - subject to the usual FCC rules. The W1AW callsign will not be used from Newington for contest contacts during this period.

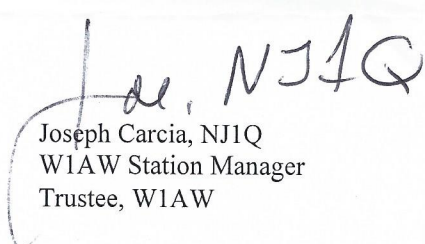

As we discussed over the phone, I am including operating guidelines. While these guidelines are directed towards the use of W1AW during ARRL Conventions, some of the details about operating and QSLing may apply.

Prior to 11 July please give me a list of any station from which W1AW/4 will be used (including the planned bands and modes). Please also advise me of any changes, as well as a telephone number where you can be reached during the operation. My cell number is (860) 614-1493.

I will handle the QSL cards as well as the LoTW log upload. When this operation has been concluded, please forward to me an electronic copy of the log(s) in either **ADIF** or **Cabrillo** format only. If W1AW/4 stations are QRV from different counties and grid squares in Tennessee, I will need that information as well for each log. In addition, please be sure that a complete log (*contest entry*) is submitted in **Cabrillo** format to the ARRL Contest Branch.

Thank you for your willingness to assume responsibility for this project. I am sure it will be an enjoyable time for all concerned.

Sincerely and with 73,

  
Joseph Carcia, NJ1Q  
W1AW Station Manager  
Trustee, W1AW
